INSTITUTES**
of Hamilton County

Institute of Future Business Leaders & Owners

The Institute for Future Business Leaders and Owners at Hixson High guides students in the field of business and entrepreneurship. Students experience various business functions that are essential to running an efficient and productive operation. The jobs this institute leads to include: entrepreneur, franchise owner, business analyst, corporate investment banker, risk manager, marketing executive, systems analyst, and stockbroker. This institute features partnerships with Flywheel, Chik-fil-a Leadership Program and Amazon Future Engineer program. Dual enrollment classes and internships are available. Students receive certifications in Digital Literacy and Responsibility and as a Microsoft Office Specialist.

"The Business Institute has opened my eyes to future careers in which I would interested" -Joseph

"To me it is a way to grow and become better, not just in business, but as a person" - Josh

"The Business Institute has opened my eyes to future careers" - Emma

Hixson High School

Career Technical Education Pathways:

Office Management- The business management and administration pathway prepares students for careers in business leadership and business ownership as well as planning, organizing, directing, and evaluating business functions essential to efficient and productive business operations.

Student schedules will consist of both Future Ready Institute classes as well as the opportunity to take a variety of classes offered by the particular high school in order to fulfill all graduation requirements. This is the 4 year plan for the student's institute classes only. *DE= Dual Enrollment *IC= Industry Certification *SDC= Statewide Dual Credit
