Andrea Johnson, Principal

Patricia Holder, Assistant Principal

Dear Parent:

Barger Academy of Fine Arts has been identified by the Tennessee Department of Education as an Additional Targeted Support and Intervention School based on the 2022-2023 school year. We received this designation because one of our student groups did not meet the annual success rate goal set by the state. Each year the Tennessee Department of Education examines schools' performance across several different indicators to provide an overall look at how schools are serving the needs of all students. The department of education included the following indicators in its analysis of school accountability:

- Student achievement
- Student growth
- English learner proficiency exam (ELPA)
- Chronic absenteeism

Our school team has developed strategies to provide the best educational opportunities for all students across all subject areas. We value and appreciate the support you provide by partnering with us to enhance opportunities for our students. Please work with us by sending your students to school daily and on time, ensuring they are completing their classwork and homework, and encouraging them to be on task with good behavior. Please don't hesitate to call if you have questions.

Thank you for your continued support.

Andrea Johnson

Principal
