Serves Grades 9-12

School Hours: 7:30a - 2:30p

Principal: Amy Myhan

Offers Bus Transportation

Sequoyah High School is more than a traditional high school. In addition to taking regular core academic classes at Sequoyah, students have the opportunity to take unique focused electives in their chosen program of study. Programs of study include auto mechanics, electrical systems, cosmetology, machining technologies, welding technologies, carpentry, computer technologies, auto body and repair, digital arts and design, and JROTC.
