ELEMENTARY SCHOOL](https://www.facebook.com/WOODMORE_ELEMENTARY_SCHOOL)

Woodmore Elementary School is a true neighborhood school that strives to support students, teachers, families and the community inside and outside of the building. Woodmore uses collaboration in order to nurture and teach the whole child using purposeful, engaging curriculum in a safe and welcoming environment. Students learn to dream big and build on their skills in order to be successful in middle school, high school, and beyond. Strong literacy skills shape all learning at Woodmore. Students have the opportunity to explore their interests through the Arts and the STEAM lab.
